Director of Planning and Development

Description

Job Description:

- Conduct research and analysis to support planning and development initiatives.
- Assist in the preparation of comprehensive plans, zoning regulations, and land use studies.
- Review development proposals and site plans for compliance with zoning codes and regulations.
- Coordinate with other departments, agencies, and stakeholders on planning and development projects.
- Provide technical assistance and guidance to developers, property owners, and the public.
- Prepare reports, presentations, and recommendations related to planning and development issues.
- Stay current with trends, regulations, and best practices in planning and development.

Responsibilities

Work with HBG Designs and Birch Construction on the revitalization of new location. Must also work with City of Dallas and Planning and Zoning.

Qualifications

Qualifications:

- Bachelor's degree in urban planning, public administration, or a related field (Master's degree preferred).
- Knowledge of urban planning principles, zoning regulations, and land use policies.
- Strong analytical and research skills.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proficiency in GIS, CAD, and other planning-related software (preferred).
